**ANNUAL DATA CALL FOR CREDIT LIFE, CREDIT ACCIDENT & HEALTH
AND CREDIT INVOLUNTARY UNEMPLOYMENT INSURANCE**

Pursuant to NAC 690A.175, insurers providing consumer credit insurance in the state of Nevada are required to report experience data annually to the Commissioner on the prescribed forms which are available in EXCEL format on the Division's website at [Consumer Credit Experience Forms](#). The Commissioner will use this data to determine annually whether the prima facie rates for credit life insurance, credit accident and health insurance and credit unemployment insurance set forth in NAC 690A.105 to 690A.155, inclusive, are reasonable in relation to the benefits provided. The Commissioner may, at his discretion, request supplemental information to assist in the determination of the appropriateness of the Prima Facie rates.

Specific instructions relating to the completion of the prescribed forms (NV DOI-939 to NV DOI-945, inclusive) are available on the Division's website at [Consumer Credit Data Call Instructions](#). These forms should be completed and sent electronically to the Division no later than June 30, 2009. For your convenience, this information may be e-mailed to the Division at nvccidata@doi.state.nv.us. Any questions regarding the information requested should be sent to Annette James at ajames@doi.state.nv.us.
