**NEVADA MEDICAL PROFESSIONAL LIABILITY**

Nevada Revised Statute (“NRS”) 690B.260 requires the Nevada Division of Insurance (“Division”) to monitor and maintain records of all jury verdicts and settlements of cases, and claims relating to the liability of a practitioner licensed to practice medicine or osteopathic medicine pursuant to Chapter 630 or 633 of the NRS, including, but not limited to:

- The name and address of the claimant and the insured under the policy;
- A statement setting forth the circumstances of the case;
- Information indicating whether any payment was made on the claim and the amount of the payment, if any; and
- The information specified in subsection 2 of [NRS 679B.144](#).

**NEVADA MEDICAL PROFESSIONAL LIABILITY CLOSED CLAIM REPORT**

Insurers must use the NEVADA MEDICAL PROFESSIONAL LIABILITY CLOSED CLAIM REPORT ("Closed Claim Report"), Form Number NDOI-1102, revised October 1, 2002, to report the above-referenced information. All claims pertaining to the liability of a practitioner licensed to practice medicine or osteopathic medicine pursuant to Chapter 630 or 633 of the NRS must be reported to the Division within 45 days after the end of a calendar quarter, whether or not any payment was made to the claimant. In the event that there is a change or a correction to the information reported to the Division, the insurer must submit an updated report to the Division within 45 days after the end of the calendar quarter in which such change or correction was made.

## OTHER REPORTING REQUIREMENTS

NRS 630.3067 and NRS 633.526 currently require insurers to report to the Board of Medical Examiners or the Board of Osteopathic Medicine, as applicable, any action filed or claim submitted to arbitration or mediation for malpractice or negligence against a physician. As a result of the 2011 Legislative Session, Senate Bill 273 became law, adding the requirement that insurers also report to the Board of Osteopathic Medicine any action filed or claim submitted to arbitration or mediation for malpractice or negligence against a physician's assistant. This report must be made within 45 days after the action was filed or the claim was submitted to arbitration or mediation. Another report must be made within 45 days after the disposition of the action or claim. Failure to comply may result in administrative fines up to \$10,000 for each action or claim not reported. This new reporting requirement regarding physician assistants commences on October 1, 2011. There is no minimum claim size reporting threshold under NRS 630.3067 or NRS 633.526. Therefore, all claims must be reported, including claims with no indemnity payment.

Pursuant to NRS 690B.250, insurers covering the liability of a practitioner licensed pursuant to Chapters 630 to 640, inclusive, of the NRS for a breach of his professional duty toward a patient, shall also report to the Board which licensed the practitioner. This report shall be made within 45 days of each settlement or award made or judgment rendered by reason of a claim, if the settlement, award, or judgment is more than \$5,000. The insurer must include in the report the name and address of the claimant and the practitioner, and the circumstances of the case.
